

MINI JETS READING PROGRAM

Books 601-700

Sponsored by: The Adams County Community Foundation & Adams Central Elementary

Research tells us that the foundational skills needed to become successful readers start at a very early age. The goal of our program is to encourage reading and language development, so students have a strong foundation to build on when entering kindergarten. The sooner a child starts being read to, the better.

How to Participate

1. Fill out the participation form and turn it into the AC elementary library
2. Read a book with your child.
3. Write the title and date in the booklet. If you don't remember the date, leave it blank.
4. When your booklet is full, return it to the AC elementary library to get the next booklet.

If you don't have access to a public library, please ask about checking out books at the AC elementary library.

Tips for Continuing your Reading Journey

- Keep books EVERYWHERE! The opportunity to read can be calming and time filling. Stash books in all rooms as well as the car.
- Point to words in the title as you read them.
- Point to the words of repeated phrases.
- As your child starts to make the connection from print to words, point out words in places other than books such as stop signs, cereal boxes, posters, and signs on businesses.
- Begin asking questions while reading this book. Use a 5 second wait time to give your child a chance to think and respond.
