

# MINI JETS READING PROGRAM

**Books 701-800** Sponsored by: The Adams County Community Foundation & Adams Central Elementary

Research tells us that the foundational skills needed to become successful readers start at a very early age. The goal of our program is to encourage reading and language development, so students have a strong foundation to build on when entering kindergarten. The sooner a child starts being read to, the better.

## How to Participate

1. Fill out the participation form and turn it into the AC elementary library
2. Read a book with your child.
3. Write the title and date in the booklet. If you don't remember the date, leave it blank.
4. When your booklet is full, return it to the AC elementary library to get the next booklet.

If you don't have access to a public library, please ask about checking out books at the AC elementary library.

## Tips for Growing as a Reader

- Make books at home by folding and stapling paper. Allow your child to draw and talk about what they are drawing.
- Encourage the copying of letters from books you read.
- Discuss the book after reading it by recalling what happened and having your child retell it.
- A simple story can be fun for a child to act out or retell. Look for everyday items around your house that could be props for the story.
- Encourage your child to read by allowing them to say/read repetitive lines without you.
